## Kalam Labs

Dear Parents,

Good Afternoon

We want to share with you all the events happening around Bangalore in our effort to try and give our children varied opportunities. We leave it to your discretion to participate.

NASA's Virtual Space Tour Give your child an opportunity to Learn from NASA

Every Sunday a NASA Scientist will teach your child about Space & Universe.

Benefits for your child

- NASA Scientists led sessions to nurture your child's curiosity in Space & Universe
- New Space Topics taught to your child each week
- Science Project created by your child

 Certificates for Each Participant

Timings:- Every Sunday at 6 PM (+2 Sessions in the week as per choice of parents)

Duration:- 3 Months (Starting from 15th August)

Register from this link  <https://pages.razorpay.com/virtualspacetour>

Registration Fees:- Rs 999
