Dear Parents,

As we approach the end of the academic year, I wanted to take a moment to express my gratitude to you for entrusting us with the education and development of your children. It has been an absolute pleasure to work with your children and to see their growth and progress throughout the year.

We have had a busy and productive year filled with learning, exploration, and growth. Our students have excelled academically, socially, and emotionally. They have shown a great deal of resilience, adaptability, and determination in the face of the challenges posed by the pandemic. We are incredibly proud of their achievements and the hard work that they have put in.

As we wrap up the school year, I encourage you to take some time to reflect on your child's achievements and progress. It is important to celebrate their successes, no matter how big or small, and to recognize the effort and hard work that they have put in.

Lastly, I wish you all a safe and enjoyable summer break. I look forward to welcoming our students back in May 2023 for another exciting year of learning and growth.

Warm regards,

Aruna Iyer
