

Subject: Hair Hygiene

Ref No: GPS/Cir/007/2022-23

Date: 23.06.2022

Dear Parents,

Good Morning,

Please be informed that our School Staff Nurse will be checking students for head lice from **Monday, 04th July 2022**.

Anyone can get head lice, mainly through direct head-to-head contact but also from sharing hats, hairbrushes and other personal items. Head lice are a problem in many communities and do not reflect poor hygiene or social status.

Please do your part to prevent the spread of this communicable condition by checking your child/ children's hair daily for the next few weeks, and on a regular basis thereafter.

Lice infestation is much easier to treat if caught early.

Thank you for your cooperation.

Regards
Aruna Iyer
Principal
Greenfield Public School
