Subject: Welcome Letter

Dear Parents,

We are delighted to welcome our **Grade 9** students back to school for the start of regular offline classes and a new academic year. Please note there will be **NO ONLINE CLASSES.**

Health and Safety continue to be a top priority towards our students and staff. I know that there are a lot of questions about what school will look like this year. Please feel free to drop in and discuss with us your hopes and concerns.

Students will benefit immensely from in-person classes as they are innately social and inquisitive in nature. We are aware that it is going to be a challenging year for our students and teachers to roll back to normalcy but we are also confident that we will be able to meet the challenges and make this new academic year a year of growth.

Our theme for this year is:

‘SURMOUNT ANY CHALLENGE WITH PATIENCE AND GRIT’.
